Summary: I have what I think is a really cool OC Marvel hero. But I suck at writing and want to know someone could help me. More info inside

## OC character idea

I really want to make a story about an OC in Marvel. I have tried a few times with nothing good and would appreciate if someone could write the story for me. It would be about the Reaper a mysterius, dark, anti-hero. If your interested then pm me and I will give you all the ideas I've had for the character
